I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: The small town that I live in  
does not offer a compounding pharmacy.  
The method of HRT that I have chosen  
requires prescriptions from a  
compounding pharmacy.
